

Digest of Green Reports and Studies

Title	<i>Fact Sheet: Jobs from Renewable Energy and Energy Efficiency</i>
Author	Methipara, Jasmy; Sauer, Amy; Elles, Chrissy; Beck, Fredric
Organization	Environmental and Energy Study Institute
Author Contact	None
Publication Type	Report – Literature Research
Publication Date	October 22, 2008
# of Pages	6pp
URL	http://www.eesi.org/files/green_jobs_factsheet_102208.pdf
Summary	This report, conducted by the Environmental and Energy Study Institute in October 2008, presents facts about the energy industry and the future of green jobs. The report also mentions some recent “green” legislation. Key findings based on industry research are listed in sections divided by geography, energy type, and legislation.
Key Findings	N/A
Recommendations	N/A
Definition of “Green”	None
Methodology	Literature research
Data Sources Cited	American Solar Energy Society, Union of Concerned Scientists, Center for American Progress, Political Economy Research Institute, US Council of Mayors, IC2 Institute, Renewable and Appropriate Energy Laboratory in Berkeley, American Council for an Energy Efficient Economy, Environment California, Center for Energy, Resources, and Economic Stability, UC Berkeley, Global Insight Inc., Worldwatch Institute, European Commission on Monitoring and Modeling Initiative of Targets for Renewable Energy, Danish Wind Energy Association, Erneuerbare Energien, European Wind Energy Association, Woods Hole Research Center, North Carolina Wind Working Group, Geothermal Energy Association, Energy Information Association, Navigant Consulting, Solar Energy Industries Association, Naturalgas.org, Nuclear Energy Institute, Greenpeace, European Photovoltaic Industries Association.
Report Geography	N/A
Green Occupations Cited	Solar energy manufacturing and installation, wind power manufacturing, contracting and installation.
Green Industries Cited	Renewable energy, energy efficiency, solar photovoltaic, solar thermal, biomass, biofuels, wind power.
Keywords	Solar power; wind power; energy efficiency; renewable energy.
Legislation Cited	Green Jobs Act of 2007, Emergency Economic Stabilization Act, California’s Million Solar Roofs Initiative.
Bibliography (Y/N)	Y
Reviewer Name/Org	D. Costello / Labor market Information Division, California
