

**Industry Employment**, which includes self-employment, private household workers, farm, and nonfarm employment in Riverside and San Bernardino Counties, is expected to reach 1,636,600 by 2024, an increase of 18.1 percent over the 10-year projection period. Twelve of 13 nonfarm industry sectors are projected to grow between 2014 and 2024.

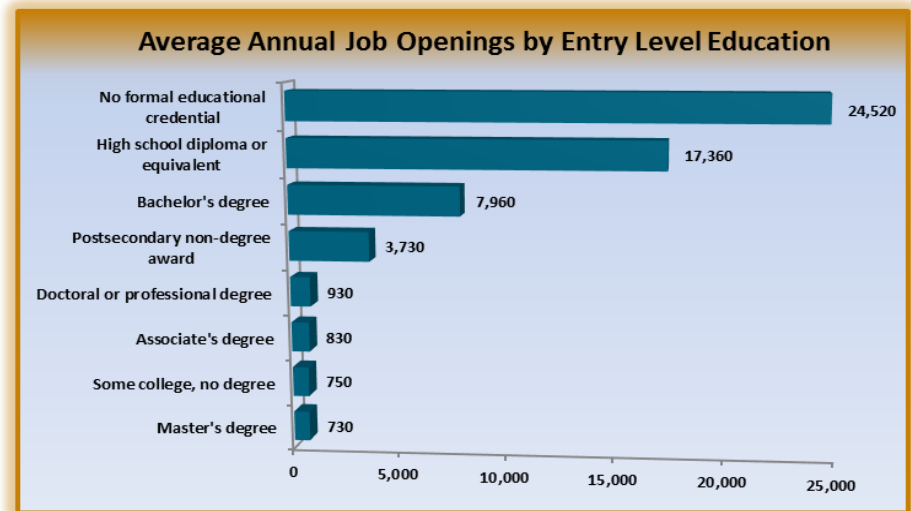

Total nonfarm employment is projected to gain 233,000 jobs by 2024. Sixty-five percent of all projected nonfarm job growth is concentrated in four industry sectors.

- Educational services (private), health care, and social assistance is projected to gain the most jobs, adding 48,600 jobs. Ambulatory health care is expected to add 21,100 jobs.
- Leisure and hospitality is projected to add 39,900 jobs, led by a gain of 34,600 jobs in restaurants and other eating places.
- Construction anticipates job gains of 33,300 and is expected to be the area's fastest growing sector (42.9 percent).
- Transportation, warehousing, and utilities is projected to gain 28,500 jobs.

**Occupational Employment** forecasts more than 254,700 new jobs from industry growth and nearly 326,800 job openings from replacement needs for a combined total of approximately 581,500 job openings.

The 50 occupations with the most job openings are forecasted to generate nearly 35,200 total job openings annually, which is 60 percent of all job openings. The top three occupations with the most job openings are laborers and freight, stock, and material movers, hand; combined food preparation and serving workers, including fast food; and personal care aides. These occupations earn median hourly wages ranging from \$9.65 to \$12.33 and require no formal educational credential. Higher-skilled occupations, requiring a bachelor's degree or higher, include registered nurses and elementary school teachers, except special education.

The 50 fastest growing occupations anticipate an annual growth rate of 2.9 percent or higher. Twenty of the fifty occupations are in construction and extraction. Construction occupations range from helpers—electricians that require a high school diploma or equivalent and earn a median annual wage of \$30,644 to paving, surfacing, and tamping equipment operators that require a high school diploma or equivalent and earn a median annual wage of \$84,218.

The following table, categorized by entry-level education, provides a summary of the fastest- and largest-growing occupations.

## 2014-2024 Comparison of Growing Occupations by Entry Level Education Riverside and San Bernardino Counties
